The Handwriting Files

The **Handwriting File** is a unique handwriting information book and practice file. Choose your handwriting style from the photocopy masters provided. For ages 6+.

- Computer generated handwriting with correct joins for accuracy and consistency.
- A straightforward practice book - clear and non-patronising.
- Information and analysis (pen hold, posture, paper position, letter shape etc.).
- A4 Photocopiable practice pages - individual letters, letter strings and whole words (large and medium).
- Continuous text practice - three sizes - large, medium and small writing.
- Timed Writing practice.
- Two versions - with and without entry-strokes.
- **The Handwriting Alphabet File** shows one letter per A4 page with construction arrows.

Large

a b c

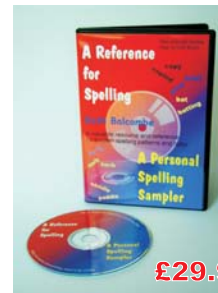

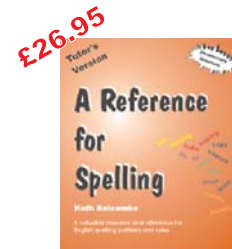

£29.99 site licence

Now you can get the Handwriting File and The Handwriting Alphabet File in both entry-stroke and plain versions in Adobe Acrobat® (pdf) format on a CDROM. Print as much or as little as you want from your PC! Also gives you bonus small single letter flash cards!

A Reference for Spelling

A COLOUR-CODED PHONIC REFERENCE DICTIONARY with word lists, progress trees, graded dictations and spelling rules.

- Every sound pattern in the English language represented - an alternative to a conventional dictionary
- Encourages reasoning skills rather than relying on memory
- Any age - any stage - you dip in according to individual need - use any method you wish
- Colour coded by syllable (matches highlighting pens) e.g. 'CVC - doubling rule = yellow
- An extremely time saving reference for graded dictations opposite word lists
- Clear A4 format - uncluttered with minimum of teaching points - clear spelling rule
- Excellent for spelling, reading and vocabulary building - cat, sat, mat to pretentious, surreptitious
- A Personal Spelling Sampler also available as a pupil workbook to support the Reference.

£29.99 site licence

Now you can get A Reference for Spelling and A Personal Spelling Sampler in both entry-stroke and plain versions in Adobe Acrobat® (pdf) format together on a CDROM. Print as much or as little as you want from your PC! Also gives you bonus Make Spellings Stick book to practise spelling using LOOK - SAY - COVER - WRITE - CHECK method (usually £4.95).
